ENDURA

An extremely sharp and strong blade that integrates premium SK-120 steel, Japanese-style tempering and multi-step sharpening to produce a dependable, solid feel and long cutting performance.

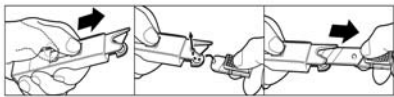

For general purpose scoring and cutting, ideal for work with Drywall, Rubber, Wood and other Thick or Coarse Materials.

RAZAR Black

A razor sharp acute-angle blade that integrates premium SK-120 steel, Japanese-style tempering and multi-step sharpening to produce an exceptionally smooth and fine quality of cut.

For precise cutting and fine material slicing, ideal for work with Paper, Film, Foam and other Thin or Porous Materials.

Tajima Safety Dispensers dispense one blade at a time, limit exposure to the sharp edge.
